

Amidst the Mist

Amidst the mist
Who would dare to go?
Amidst the mist
There is much to know.
Amidst the mist
Hides a tale
Venture through
And find in detail
The unspoken truth
That lies therein
Where sailing ships
Navigate not seen.
Amidst the mist
Is uncharted territory
That longs to be claimed...
...a magnificent victory.
Amidst the mist
Come sail with me
Let's find a place where we can be
Amidst the mist.
